Pharrell Williams - Happy Lyrics

Artist: [Pharrell Williams](#)Album: [G I R L](#)

[Verse 1:]

It might seem crazy what I'm about to say
 Sunshine she's here, you can take a break
 I'm a hot air balloon that could go to space
 With the air, like I don't care baby by the way

[Hook:]

Because I'm happy
 Clap along if you feel like a room without a roof
 Because I'm happy
 Clap along if you feel like happiness is the truth
 Because I'm happy
 Clap along if you know what happiness is to you
 Because I'm happy
 Clap along if you feel like that's what you wanna do

[Verse 2:]

Here come bad news talking this and that, yeah,
 Well, give me all you got, and don't hold back, yeah,
 Well, I should probably warn you I'll be just fine, yeah,
 No offense to you, don't waste your time
 Here's why

[Hook]

Hey, come on

[Bridge:]

(happy)
 Bring me down
 Can't nothing bring me down
 My level's too high
 Bring me down
 Can't nothing bring me down
 I said (let me tell you now)
 Bring me down
 Can't nothing bring me down
 My level's too high
 Bring me down
 Can't nothing bring me down
 I said

[Hook 2x]

Hey, come on

(happy)
 Bring me down... can't nothing...
 Bring me down... my level's too high...
 Bring me down... can't nothing...
 Bring me down, I said (let me tell you now)

[Hook 2x]

This song healed many patients.. and the reason is this song is not just a song but its a kind off POSITIVE AFFIRMATION of being happy... which unknowingly is filling our minds and life's with happiness .. :-)

Michelle ·

Yes, the song may seem on the surface to be, as he put it, "happy", but it's all the perspective of a creep underneath. The guy's basically saying, I don't know you, but I'm going to throw in several sex clichés like you're "a room without a roof", which is obviously double-sided. Think about it. He's implying that the girl HAS a room without a roof, and that he's trying to get her pregnant. And don't start me on the hot air balloon in space.

The song is all about him trying to get this girl to "clap" with him and "warning" that he'll be cool with it. Why warning? Where's this creep going with this? He doesn't care, because he's, I don't know, "happy"? Or more than that?

P.S. I'm not a moron; I'm simply someone who can read between the lines. As you clap along to this song, you're doing so in such irony.

Between the Lines? ➔ ·

Um.... excuse me... I'm due back on planet earth.

Between the Lines? ➔ ·

This song has amazing harmonies in the chorus, and Pharrel is a wonderful talent. We need more happiness in our lives - not everything is so sinister, ya know?

Interesting Michelle - how is the guy saying 'I don't know you' ? And explain 'hot air balloon in space' and 'clap' with him? Not being a smart ass - I'm just looking for more info! I know songs can have double meanings but I'm not totally sure about this one? My girlfriend loves this song and quotes it everytime something goes bad in her life and it annoys the crap out of me! :)

When I read between the lines, I only see empty white space.
